

It is difficult enough to find a pair of antique mirrors, but to find a pair of mirrors in such wonderful condition and with so much delicate detail is truly a great find. This pair of oval Adams style English mirrors is absolutely charming. The gilded hand carvings are very fine and of a foliage motif. The top of the mirrors have a small hand painted design that brings a splash of color to an already beautiful frame. These mirrors will bring a touch of style and class to any entryway, dining room, bedroom or bathroom.
