

If you like things that make an impression this antique arm chair is for you. There is a great deal going on with this beautiful Venetian chair. The hand carved arms are of children reclining on branches which are being held aloft by a woman and man. Continuing with the branch motif of the arms the four legs depict tree trunks and the stretcher is of branches and foliage. This chair is not only amazing aesthetically but the scale is astounding. Whether you are looking to make a statement in your dining room or have a large chair to sit on in the den, this beautiful hand carved treasure will make you smile with pride every time you glance at it.
